

Ring Bells Hinton Country Pub, Restaurant & Takeaway

This pub is our life & our home and we're very happy to welcome you. We pride ourselves on local, quality, seasonal produce. Our menu offers not only the classics and home comforts but always pushes the boundaries with sublime specials and delicious desserts. Jo's creative background has taken her from baking to earning her own two Rosettes on the Isle of Wight. The flair and passion for the dishes never waivers so you can always be sure to see something exciting to tempt you!

We use a host of amazing local suppliers for all our produce as well as some further a field that we just couldn't leave behind from our travels. Striving to be seasonal & sustainable in all we do. Our menu is hand made & passionately delivered. If the dish, sauce, garnish can be made in house, it is, by Jo's fair hand or one of our amazing team that supports us! This means our dishes don't appear in seconds, they are hand crafted to your individual needs, if your in a rush we can suggest the quickest options for you!

Our Kitchen contains nuts, their names are Jo & Emily. If you are allergic to them or anything else please let us know when ordering. We take all allergies & intolerances seriously, however our food is prepared in a mixed use kitchen so we CANNOT guarantee a 100% allergen free environment. Our cake sometimes contains lead shot & small pies of shattered bone, the olives come stone in, our roasted meats are generally served pink and if you want moisture & flavour you need a little fat. Our fish, when served filled, is usually bone free but occasionally we miss one, likewise with crab dishes. We try our very best to accommodate all dietary requirements and try to provide a choice for all palates on our menu. If you would like something you don't see then PLEASE ASK
