All our Roasts are served with

Yorkshire Pudding, Roast Potatoes, Honeyed Parsnip & Carrot.

Our gravy combines all the juices & good stuff from the meats with our own stock pot & some Red Wine

A selection of the best & freshest vegetables accompany the roasts. We try to stay seasonal but always have the classics as well!

Our Kitchen contains nuts, their names are Jo & Emily. If you are allergic to them or anything else please let us know when ordering. We take all allergies & intolerances seriously, however our food is prepared in a mixed use kitchen so we CANNOT guarantee a 100% allergen free environment. Our game sometimes contains lead shot & small pieces of shattered bone, the olives come stone in, our roasted meats are generally served pink and if you want moisture & flavour you need a little fat. Our fish, when served filleted, is usually bone free but occasionally we miss one, likewise with shellfish dishes. We try our very best to accommodate all dietary requirements and try to provide a choice for all palates on our menu. If you would like something you don't see then PLEASE ASK
